

Wiki Tool – Monitoring Contributions

By reviewing participation, you can access student contributions to a wiki by total pages saved and by total lines modified. You can also see change history for any page and compare versions of the pages.

Navigation

1. Enter a course.
2. Click the **Control Panel** link.
3. Click the **Assess Wikis** link under **Course Tools**.

Selecting Participant Detail and Change History

1. Click the **View Participation** button for a wiki.
2. Select the **View Detail** button for a participant.
3. Select the **See Change History** button for a page to review the revision history.
4. Select the **View Diff** button for a version of the page.
5. To view a previous version, click the **Prev Diff** button if applicable.
6. To view a newer version, click the **Next Diff** button if applicable.
