Accreditation

Application has been made to the PA Department of Health for approximately **6.0 CE** credits for EMS personnel.

Thomas Jefferson University Hospital is an approved provider of continuing nursing education by the PA State Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation. **7.3 contact hours** will be awarded.

Jefferson Medical College of Thomas Jefferson University is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

This activity has been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education through the joint sponsorship of Jefferson Medical College and the National Institute of Emergency Care, Inc.

Jefferson Medical College of Thomas Jefferson University designates this live activity for a maximum of **7.5 AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

The Society of Clinical Research Associates (SoCRA) accepts documentation of candidate participation in continuing education programs for re-certification if the program is applicable to clinical research regulations, operations or management, or to the candidate's clinical research therapeutic area.

- Credit will only be given to those who attend the entire seminar. No partial credits will be awarded.
- Certificates will be awarded at the end of the seminar after all appropriate documentation is submitted.

Program Evaluation and CME and CE Certificates

All conference evaluations will be submitted electronically directly to Jefferson's Office of CME. In order to receive a CME certificate, you must complete the online evaluation process. At the conclusion of the conference, you will be able to access the online evaluation forms at the following website: <http://jeffline.jefferson.edu/jeffcme/TraumaEval/>

Faculty Disclosure

All faculty at continuing educating activities for nurses, physicians and allied health professionals are required to disclose to the audience (1) any significant financial relationships with the manufacturer(s) of any commercial products, goods or services and (2) any unlabeled/unapproved uses of drugs or devices discussed in their presentations. Such disclosures will be made in writing in the course presentation materials.

HOT TOPICS in Trauma 2012
