Trauma seminar

October 9, 2014

LIVE: Thomas Jefferson University

Join us for PACEP's Trauma Seminar – Live or at One of Three Locations for a Live Broadcast

This seminar provides up-to-date, evidence-based information about trauma topics of interest to physicians, nurses and pre-hospital providers whether based at a trauma center or at a community ED. This course will provide essential information on trauma topics with a goal of expanding knowledge to improve competence and patient outcomes.

This course can help fulfill the required PTSF non-institutional trauma-related requirements.
