PSEUDO-DEPRESSION IN THE MEDICALLY ILL PATIENT

Presenter:

James Stinnett, M.D.

Professor of Psychiatry, University of Pennsylvania School of Medicine

Dr. Stinnett is Professor of Psychiatry at the University of Pennsylvania School of Medicine. He is Emeritus Chief of Consultation-Liaison Psychiatry at the Hospital of the University of Pennsylvania, and was the recipient of the first annual Resident Teaching Award in the Department of Psychiatry at the University of Pennsylvania. He has lectured and published extensively in the field of psychosomatic medicine.

Overall Goals and objectives:

- 1) Review different mood states seen in medical patients
- 2) Learn about the causes of these mood states
- 3) Learn the treatment interventions in mood states in the medically ill
- 4) Understand the nature of casual relationships between medical conditions and depressive mood states

Jefferson Medical College of Thomas Jefferson University is accredited by the ACCME to provide continuing medical education for physicians.

Jefferson Medical College designates this educational activity for a maximum of 1 *AMA PRA Category Credit(s)*[™]. Physicians should only claim credit commensurate with the extent of their participation in the activity.

January 12, 2007 8:00 – 9:15 am

Bluemle Hall

233 South 10th Street

Room 101
