Integrative Medicine Grand Rounds

presents

AN INTEGRATIVE APPROACH TO OSTEOPOROSIS

Presenter:
Anthony J. Bazzan, M.D.

Dr. Bazzan is board-certified in Internal Medicine and Geriatric Medicine. He is on the faculty and staff of Thomas Jefferson University and Hospital, and he is a lead physician at the Jefferson-Myrna Brind Center of Integrative Medicine, where he co-directs the Program for Hormonal Balance. Dr. Bazzan is a national expert on the use of integrative and hormonal therapies for the treatment of menopause, andropause, and osteoporosis.

Overall Goals and objectives:

- 1) Review pathophysiology and diagnostic criteria for osteoporosis.
- 2) Learn conventional and complementary treatment options for osteoporosis.
- 3) Discuss recent data on integrative medicine treatment outcomes for osteoporosis.

Jefferson Medical College of Thomas Jefferson University is accredited by the ACCME to provide continuing medical education for physicians.

Jefferson Medical College designates this educational activity for a maximum of 1 *AMA PRA Category Credit(s)*[™]. Physicians should only claim credit commensurate with the extent of their participation in the activity.
