

Integrative Medicine Grand Rounds

presents

An integrative view of hormone replacement therapy (HRT)

Presenter:
Anthony J. Bazzan, MD

Dr. Bazzan is board-certified in Internal Medicine and Geriatric Medicine. He is on the faculty and staff of Thomas Jefferson University and Hospital, and he is a lead physician at the Jefferson-Myrna Brind Center of Integrative Medicine, where he co-directs the Program for Hormonal Balance. Dr. Bazzan is a national expert on the use of integrative and hormonal therapies for the treatment of menopause, andropause, and osteoporosis.

Overall Goals and Objectives:

1. Learn the history of HRT
2. Describe perceptions and biases of HRT
3. Review current available forms of HRT
4. Discuss evidence for and against HRT use in patient populations

Jefferson Medical College of Thomas Jefferson University is accredited by the ACCME to provide continuing medical education for physicians. Jefferson Medical College designates this educational activity for a maximum of 1 *AMA PRA Category Credit(s)*TM. Physicians should only claim credit commensurate with the extent of their participation in the activity.
