Healthy Sexuality: A Clinical Prospective

Presenter:

Arlene Goldman, PhD

Arlene Goldman, PhD, is a licensed psychologist and sex therapist. She has a private practice in Center City, Philadelphia, specializing in the treatment of sexual dysfunctions and relationship issues. In addition, she is Director of Training for Media Psychology Associates and co-author of *Secrets of Sexual Ecstasy* (Alpha Books). Dr. Goldman has served on the faculties of Jefferson Medical College, Chestnut Hill College, and the Family Institute of Philadelphia.

Overall Goals and Objectives:

1. Learn several common models of healthy sexuality.
2. Describe ways to differentiate healthy and unhealthy sexual functioning.
3. Understand how medications can positively or negatively impact sexual functioning.
4. Learn treatment options for sexual difficulties and dysfunctions.

Jefferson Medical College of Thomas Jefferson University is accredited by the ACCME to provide continuing medical education for physicians. Jefferson Medical College designates this educational activity for a maximum of 1 *AMA PRA Category Credit(s)*™. Physicians should only claim credit commensurate with the extent of their participation in the activity.
