An Insider's Guide to Study Space at Jefferson Medical College

Scott Memorial Library

The University provides a variety of study areas to accommodate the studying styles and needs of its students. These include areas for quiet/individual study, formal study by a group, and areas for informal study. This brochure provides information on the most popular areas. Please cooperate in maintaining the distinctions between these areas by observing any restrictions, and please remove any trash when you leave an area. Beverages are permitted in the Scott Memorial Library in the official, spill-proof, Jefferson mug. Water is permitted in clear plastic bottles with screw-on caps.
