10. Any tips on how to get the most out of this rotation?
11. Any warnings or tips on what NOT to do?
12. Did you get a letter of recommendation? **There is not an official letter writer at Orlando like most EM rotations. It is recommended that you work a shift one on one with someone with an administrative position. Most people tried to work with the Program Director or Associate PD.**
13. Did this rotation help you get an interview? **I think they interview all rotators.**
14. Is housing provided? If not, any recommendations on where to stay? **Yes, apartments for a reasonable fee (~\$300) one block from the hospital. Also, the hospital house keeping service empties the trash and gives you new towels 5 days a week and will clean the bathroom several days a week.**
15. Is parking provided? **Yes**
16. Who did you contact to set up this rotation? <http://www.orlandoregional.org> → **For Medical Professionals → Medical Student Clerkships Apply early, March or April.**
17. Would you recommend this rotation to future JMC 4th years? **Yes**
18. Please add additional comments (strengths, weaknesses, miscellaneous tips...)
This is a great rotation, community-academic program, very similar to Christiana in the fact that it is a nice hospital, loosely affiliated with some FL medical schools, but has a very active and strong residency program. You present to a teaching resident for most shifts, a PGY-3 with no other responsibilities for that shift. You get to do A LOT of procedures, other PGY-

3's will seek out the students, I did plenty of suturing, I&D of abscesses, several LP's including <28 day olds, it is really a great experience. Appears to be a well known program in the southeast. No test or presentation required. Plenty of free time, I had plenty of time to study for Step 2 CK while I was on this rotation.
