

## AWAY ROTATION EVALUATION FORM

Specialty: EM

Medical School / Hospital: Brown/Rhode Island Hospital

How would you rate your overall experience? (check one)

Poor    Fair    Good    Very Good    Excellent

How many hours per week were you on duty? 40-45

How many hours per week did you spend with:

Interns – 1

Residents – 6

Fellows – 0

Attendings – 40

Did you meet or work with the Residency Program Director or Dept Chair? Yes, both

Which attendings had the greatest influence on your experience? Dr. Brian Clyne, Dr. Greg Jay

What were your daily duties? See patients, present them to the attending, formulate a plan, manage their care in the ED

Did this rotation (check one):

Create new interest in the specialty

Reinforce existing interest

Decrease interest

Have no effect

Any tips on how to get the most out of this rotation? Go into every day with an open mind. Try to rework your schedule to work with a couple attendings for multiple shifts.

Any tips on what NOT to do? Skip anything mandatory. Act arrogant.

Did you get a letter of recommendation? Yes, 2.

Did this rotation help you get an interview? Seems that they interview all that apply who have rotated at the hospital, so I guess, yes.

Is housing provided? If not, any recommendations on where to stay? Yes, though I lived at home. From the reports of one of my fellow students who lived there, it is not recommended if at all possible.

Is parking provided? If not, any recommendation on where to park? Yes, though it is in a distant student lot that often fills. If so, there is random street parking.

Who did you contact to set up the rotation? Program Coordinator whose contact info I found on the SAEM site.

Would you recommend this rotation to future JMC 4<sup>th</sup> years? Definitely.

Please add any other comments (strengths, weaknesses, miscellaneous tips, etc.):

RIH has a gorgeous, brand new ED, complete with a ton of patient rooms and special units, 6 trauma/critical care rooms, and a very nice setup. Everyone there is awesome from attendings, to residents, to interns, to staff. Also, it is one of the nation's 5 busiest Eds (my third week there, they set their all time high for weekly visits to the ED with over 3100 patients in one week!), so there is never a shortage of patients or learning experiences.

THANK YOU!
