Yes

Which attendings had the greatest influence on your experience?

Dr. Richard Novak

What were your daily duties?

You are responsible for attending morning report at 8am, then seeing new consults thru out the day, as well as checking in on previous consults that are still in the hospital.

Did this rotation (check one):

Create new interest in the specialty

Reinforce existing interest

Decrease interest – I really that ID was not for me as a subspec., however, I did learn more about appropriate abx coverage, etc

Have no effect

Any tips on how to get the most out of this rotation?

Be willing to do research on your own about your patients –

Any tips on what NOT to do?

No

Did you get a letter of recommendation?

Yet to be determined...

Did this rotation help you get an interview?

Yet to be determined...

Is housing provided? If not, any recommendations on where to stay?

I am not sure if it is provided. It is very easy to get to on public transportation and is in a very “student” part of Chicago therefore housing should be available and affordable.

Is parking provided? If not, any recommendation on where to park?  
I am not sure, I took public transportation.

Who did you contact to set up the rotation?  
Monica Mayson-Hayden, they have a decent website but be wary b/c they are not as organized as other programs that I applied to rotate away with.

Would you recommend this rotation to future JMC 4<sup>th</sup> years?  
Yes, if you know you want to be in Chicago for residency.

Please add any other comments (strengths, weaknesses, miscellaneous tips, etc.):

THANK YOU!
