

## AWAY ROTATION EVALUATION FORM

Specialty: Obstetrics and Gynecology: Fertility and Gynecology

Medical School / Hospital: University of Pennsylvania/ Pennsylvania Hospital

How would you rate your overall experience? (check one)

Poor    Fair    Good    Very Good    Excellent

How many hours per week were you on duty? <40

How many hours per week did you spend with:

Interns –

Residents –

Fellows –

Attending – majority of hours spent one-on-one with attending

Did you meet or work with the Residency Program Director or Dept Chair? no

Which attendings had the greatest influence on your experience? There were three attendings in the office, and most time was spent with Dr. Huppert and Dr. Platia

What were your daily duties? This is an outpatient office, so the majority of time was spent seeing patients and doing ultrasounds with the attendings. In this respect, the rotation was fairly passive and much like shadowing. The more interest you show, the more they'll let you do. In the afternoons, there were often radiographic procedures to observe (hysterosalpingograms) or small surgeries for which you can scrub in (D&C/ D&E, myomectomies, etc). If operative patients are admitted, you will see them the following mornings with the resident.

Did this rotation (check one):

Create new interest in the specialty

Reinforce existing interest

Decrease interest

Have no effect

Any tips on how to get the most out of this rotation? Chat with the attendings and the resident on the rotation. Attend the morning department conferences to get to know the other residents and interns. Depending on what other students are currently rotating through the department, they will work with you to set up time on Labor and Delivery or Gyn Surgery, or whatever else you may be interested in. Ask questions, and read the recommended textbook chapters (Speroff's Clinical Gynecology and Endocrinology—available in Scott Library).

Any tips on what NOT to do? The usual things: being late, disrespectful, uninterested.

Did you get a letter of recommendation? yes

Did this rotation help you get an interview? N/A

Is housing provided? If not, any recommendations on where to stay? The office is located at 8<sup>th</sup> and Spruce, only a few blocks from Jefferson. Housing is not provided.

Is parking provided? If not, any recommendation on where to park? Parking is also not provided. Use the Jeff parking office to make arrangements, and walk over. Or use public transportation.

Who did you contact to set up the rotation? University of Pennsylvania Registrar—check out the medical school’s website and follow links for “Visiting Students” to apply.

Would you recommend this rotation to future JMC 4<sup>th</sup> years? yes

Please add any other comments (strengths, weaknesses, miscellaneous tips, etc.):

THANK YOU!
