

Away Rotation Evaluation Form

1. Specialty: Ophthalmology
2. Medical School / Hospital: Temple University Hospital
3. How would you rate your overall experience? (check one)
 Poor Fair Good Very Good Excellent
4. How many hours per week were you on duty? 45
5. How many hours per week did you spend with:
 - a. Interns - 30
 - b. Residents - 15
 - c. Fellows - 0 (no fellows)
 - d. Attendings - 10
6. Did you meet with or work with the Residency Program Director or the Department Chair? Yes, I worked with both.
7. Which attendings had the greatest influence on your experience? Dr. Kubacki (Department chair who left shortly after my rotation) was great in letting me scrub in on cases, teaching, and being enthusiastic about ophthalmology.
8. What were your daily duties? I shadowed/helped work up patients in clinic with the residents and interns. On OR days I observed in the OR and was able to scrub in on a few surgeries (and throw a suture in the conjunctiva!)
9. Did this rotation (check one):
 Create new interest in the specialty
 Reinforce existing interest
 Decrease interest

[] Have no effect

10. Any tips on how to get the most out of this rotation? Find a resident that you work well with and try to work with that person in clinic. Be enthusiastic and helpful.
11. Any warnings or tips on what NOT to do? Can't think of anything.
12. Did you get a letter of recommendation? Yes.
13. Did this rotation help you get an interview? Yes.
14. Is housing provided? If not, any recommendations on where to stay? No housing, stay in your apartment in center city!
15. Is parking provided? If not, any recommendations on where to park? No, but there is a flat rate of parking for a month in the lot across the street, so just part there (you will get details in your acceptance packet).
16. Who did you contact to set up this rotation? Office of Academic Affiliations
<http://www.temple.edu/medicine/education/visting/index.htm>
17. Would you recommend this rotation to future JMC 4th years? Yes, Temple is a good place to see a ton of pathology and to get exposure to ophthalmology in general.
18. Please add additional comments (strengths, weaknesses, miscellaneous tips...)
Temple has a very busy ophthalmology department. This means that you will see a lot of pathology, but things can get very hectic, so be prepared to be flexible!

THANK YOU!
