

SPECIALTY Pediatrics Inpatient Sub-I

Medical School or Hospital Children's National Medical Center

1. **How would you rate your overall experience? Poor/Fair/Good/Very Good/ Excellent** Good
2. **How many hours did you work on average? Per day / Per week**
12-13 per day/ 80 per week
3. **What were your daily duties? (Summarize)**
4. **Who did you work with the most? NP's/ PA's/ Interns/ Residents/ Fellows/ Attendings** Interns most often. Good amount of interaction with other residents and attendings
5. **Which Attendings had the greatest influence on your education and experience?**
6. **Did this rotation impact your interest in this program? How?** Yes - made me aware of the workload at this program, got to know and formed friendships with residents
7. **Did this rotation help you get an interview?** Unsure - got an interview before doing my rotation
8. **Did you get a letter of recommendation?** Not an official letter - had attendings give input to program director
9. **Did you meet with or work with the Residency Program Director or the Department Chair?** Yes
10. **How did you apply for the rotation? Did you use VSAS?** VSAS
11. **What month(s) was your rotation?** October
12. **When did you apply? When did you get accepted?** Applied in February. Accepted in April
13. **Were there any special requirements for the rotation (i.e. BLS re-certification, LOR, etc.)** BLS re-certification
14. **Is Housing provided? If not, can you recommend housing options?**
No. Used rotatingroom.com to sublet from another med student. Cost of living is much higher in DC than Philly

15. Is parking provided? If not, any recommendations? There is parking provided at the hospital for students on sub-i rotations. There is parking at a remote lot with a shuttle for students on other electives.

16. Would you recommend this rotation to future students? Yes - Sub-I rotation is very intense- long hours and busy, but good a good way to get your name out there. Elective may be a better idea if you want a less intense schedule but still get exposure to the hospital and the DC area.

17. Any other comments, suggestions or tips?
