What were your daily duties? Observing Dr. Weller, dictations, reviewing research papers.

Did this rotation (check one):

Create new interest in the specialty

Reinforce existing interest

Decrease interest

Have no effect

Any tips on how to get the most out of this rotation? It is a lot of solo time and you have to be someone who can self motivate to get the full experience from this rotation. Sitting back and just watching Weller working with patients is a once in a life time.

Any tips on what NOT to do? Don't be lazy.

Did you get a letter of recommendation? yes

Did this rotation help you get an interview? Don't know yet but probably.

Is housing provided? If not, any recommendations on where to stay? I don't think so.

Is parking provided? If not, any recommendation on where to park? No. take the subway-it is so easy.

Who did you contact to set up the rotation? Just go onto Upenn's visiting student site

Would you recommend this rotation to future JMC 4th years?. Yes but only if you can work on your own and don't need a lot of direction.

Please add any other comments (strengths, weaknesses, miscellaneous tips, etc.): some days had too much down time but Dr. Weller is worth it if you truly are interested in this field. You'll hate it if you are not.

THANK YOU!
