Any tips on how to get the most out of this rotation? Did this rotation help you get a letter of recommendation? Or an interview? It's really a great rotations. You'll definitely work very hard, but you'll learn a ton and see some great surgeons operate. Try hard to do a good job on the presentation, as you'll be doing it in front of many faculty and possibly the Chiar, so this is a great opportunity to shine. Other than that, same as with other rotations. Work hard, read up/get interested in your pts, and be a team player. Feel free to email w/ Qs. Jonathan.Fischer@jefferson.edu, jifischer@jefferson.edu

Any Warnings or Things Not To Do:

Nope.

Is housing provided for students? No

If not, where did you stay? In Hyde Park...way too far... try to stay in Forrest park or Oak Park which is a 10 min commute...not a 45 min one!

Is parking provided? Yes. But best place to park is at the closest edge of the VA parking lot. Ask a resident or Loyola med student for details.

Who did you contact to set up the rotation?

Linda Bauman

Would you recommend this rotation for future JMC 4th years?

Definitely

Please add any other comments (strengths, weaknesses of the program):

Lots of chances to work w/ faculty and the chair. Residents are great. It was a great month and is a great program.

**THANK YOU!**
