

Developmental Assessment of Young Children: 2nd Edition

Online Class

Unit 2 of 2

DAYC-2 Online Class

Purpose

- Learn about the differences and similarities between the DAYC & DAYC-2
 - Administration
 - Scoring
- Interpret DAYC-2 results accurately
- Refresh your skills in child assessment.

DAYC – 2 Online Course Organization

Quiz Reminders

- There is one quiz that is completed after both units are finished. The quiz cannot be taken until both units are completed.
- There are 20 quiz questions; you need to obtain a score of 80% correct ----- answer 16 questions correctly.
- Following completion of the quiz, you will receive feedback about which questions were NOT answered correctly.
- If you have not achieved a score of 16, you will be given the opportunity to complete a 2nd quiz. If you do not receive 80% on the 2nd quiz, you will need to repeat both online units a 2nd time. You may take the class twice.

DAYC – 2 Online Class Objectives

- Understand the situations under which the DAYC-2 will be used;
- Accurately calculate the necessary testing points to obtain the raw score;
- Use the tables in the manual to obtain standard, age equivalent, & percentile rank scores
- Determine discrepancies between domains or subdomain scores.
- **Integrate information from the DAYC-2 with other assessment information to make decisions about eligibility on the basis of**
 - **Diagnosis**
 - **Developmental Delay**
 - **Informed Clinical Opinion**
- **Complete written statements about the child's abilities under each of the developmental domain categories.**

Unit 2 activities

- Determining eligibility on the basis of developmental discrepancy
- Synthesizing information –
 - calculating raw scores,
 - Identifying basals, ceilings, discrepancy scores
 - Looking up standard scores, %ile rank, & age equivalent scores
- Using this information to write accurate statements for current developmental abilities

Learning Activities

- ***Learning activity 6*** provides practice in determining developmental discrepancy on DAYC-2 subtests
- ***Learning activity 7*** is a culminating activity where you can demonstrate what you know about using the DAYC-2. Make sure you have copies of the DAYC-2 scoring forms which you will need to complete this activity.

When you have finished these activities

- Complete the online quiz of 20 questions; you must get a correct score of 16 or more to pass.
- When you pass, print out your certificate that shows you passed the quiz.
- Give your completed workbook and the certificate to your supervisor.
- Your supervisor will review the workbook and will look carefully at ACTIVITY 7.
- Your supervisor will let you know if you need to do anything further with Activity 7 (correct errors, rewrite, etc.).

• Your work will be complete when the quiz is passed & Activity 7 is accurately completed.

DAYC – 2

- For further review, look for the DAYC-2 job aide at <http://www.eita-pa.org> and job aides about eligibility in Pennsylvania.
- Always refer to the DAYC/2nd Edition Examiner's Manual (2013)
