

Intervention Planning Matrix for the Childcare Setting

Embed learning opportunities/strategies in each classroom routine, in collaboration with Teacher/Caregiver, to meet IFSP Outcomes/Targets

IFSP OUTCOME/Target	ARRIVAL	CIRCLE TIME	SNACK	GROSS MOTOR PLAY	TOILETING/DIAPER
Communicates socially, and communicates her wants and needs	Devon will greet one adult/child with a gesture and/or verbal greeting Strategy:	Devon will imitate a gesture during a song during circle time. Strategy:	Devon will make a snack choice by pointing or verbalizing Strategy; Offer two preferred food choices at midline on table and ask her to choose (point,touch) one	Devon will indicate when she is "ready" to go outside Strategy:	Devon will hand a wipe to the childcare worker during diapering time, making eye contact. Strategy: Teacher will ask Devon to pull a wipe out of box during diapering
Start to feed herself finger foods			When appropriate finger food is placed before her, Devon will reach for food and put it in her mouth Strategy: Offer two preferred food choices on table and ask her to choose (point,touch) one		
Manages transitions calmly and in a timely manner	Upon arrival, Devon will be led to a toy/activity of her choice. Strategy:	Devon will participate in a countdown before moving to circle time Strategy:	Devon will help hand out cups at the beginning of snack time. Strategy:	Devon will clap 3 times with the group when ready for outside recess Strategy: Teacher counts "1,2,3" while they clap to go outside	Devon will receive a sticker when calmly allowing the childcare staff to diaper her. Strategy:
