Coaching Across Settings: Professional Learning Communities (2023-2024):

An email message was sent out to all agency supervisors containing a link to access registration page.

TLC's PLC groups will meet for six 2-hour sessions, beginning in January and ending in June 2024. In keeping with the intent of professional learning communities, consistent engagement among the same group of participants is important. Each provider needs to commit to attending all six sessions of ONE of the PLC groups (10 groups available across a range of times, designated by letters A-J).

Infant Toddler Service Delivery Learning Path

[EITA's webpage](#) includes information about this series of self-paced, online modules, webinars, and resources that provide foundational knowledge about the Family-Guided Routines-Based Intervention (FGRBI) approach that Pennsylvania has adopted to guide infant toddler early intervention service delivery.

Providers who worked in Philadelphia infant toddler programs (PITEI) last year should have already completed the first two modules: EI Service Delivery Online Course and FGRBI Online Course.

We encourage all providers with experience in PITEI to continue to progress through the Learning Path as part of their self-choice professional development activity during the 2023-24 year. These programs will familiarize participants with the FGRBI approach and help them gain competence in using these coaching strategies to support parents and caregivers to promote their infants' and toddlers' development.
