

Dear Registrants,

On behalf of the course directors, Drs. Harrison Pitcher and Jack Jallo, and the Office of CME, we would like to welcome you to the 2014 Fundamental Critical Care Support Course. Please return your FCCS Skill Station Attendance Form to the registration desk before you leave on Monday. We will return this form to you on Tuesday morning.

3:15PM – 4:00PM	Post Test and Course Evaluation** ~ <i>Participants will move to computer lab- Jefferson Alumni Hall Room M13A-East</i>	Test Proctor: CME Staff

**** Prior to the start of the Post Test, registrants must submit the completed *Skill Station Attendance Form* to the CME staff. Registrants who have not submitted this form will not be allowed to take the FCCS Post Test. On completion of the Post Test, registrants scoring a 70% or above will receive a certificate from the FCCS office via mail. This process usually takes 4-8 weeks from the time the documentation is submitted to the SCCM. If registrants score below a 70%, Dr. Pitcher and the CME office will reach out to you via email in regards to a remediation plan.**
