

JeffersonTM

Jefferson Neuroscience Network FALL SUMMIT

OCTOBER 16, 2014, 9:30AM - 2:40PM

Wills Eye Institute • Sarah & Noel Simmonds Auditorium
840 Walnut Street, 8th Floor, Philadelphia, PA 19107

TARGET AUDIENCE

Healthcare practitioners involved in the delivery of care for stroke and neurological diseases.

COURSE OVERVIEW

Join your colleagues from across the Jefferson Neuroscience Network for an interactive day of focused continuing education!

As a benefit of membership in the Jefferson Neuroscience Network, on-going continuing education is vital to improving the delivery of care for stroke patients, and is provided bi-annually, at the Spring and Fall Summit.

The 2014 Fall Summit highlights best practices and provides practical tools for the management of the stroke patient using telemedicine technology. PLUS, other neuroscience topics are featured.

The following topics will be presented:

Telestroke

- System of Care
- Best Practices Panel Discussion
- Vertigo – Catching the Killers Making the Distinction in the ED

Special Topics:

- EMS and YOU Speed & Specialized Care
- Acute Stroke Treatment: IV tPA and Beyond
