

5th Annual Navigating Spinal Care *Managing Gait Dysfunction* May 9, 2014

COURSE LOCATION

The College of Physicians
of Philadelphia
19 South Twenty-Second Street
Philadelphia, PA 19103

Earn up to
7.25
CME credits

Jefferson[®]
Hospital for Neuroscience

THOMAS JEFFERSON UNIVERSITY AND HOSPITALS

COURSE DESCRIPTION

This course has been designed for primary care physicians, neurologists, physiatrists, pain management physicians, orthopedic surgeons, and interested allied health professionals whose practice encompasses patients with gait dysfunction. The **5th Annual Navigating Spinal Care Symposium: Managing Gait Dysfunction** is sponsored and directed by the Jefferson Medical College of Thomas Jefferson University Department of Neurological Surgery Division of Spine and Peripheral Nerve Surgery faculty members.

The program will focus upon evaluation and management strategies of patients with gait dysfunction, including the initial identification and evaluation of the problem. Presentations will include focused history and physical examination, diagnostic approaches, musculoskeletal processes, and the potential intracranial etiologies of disorders such as Parkinson's disease, normal pressure hydrocephalus, and cerebral palsy. Intervention and pain management treatment strategies for gait dysfunction will be discussed. Presentations focusing on imaging options, "red flags," pharmacotherapy, and conservative and invasive treatment options will be included.

Participants will examine these topics from multiple perspectives. The course will be provided by a multidisciplinary team of experts in the fields of neurology, pain management, physical medicine and rehabilitation, neurological surgery, and endocrinology. This CME Conference offers participants a unique opportunity to witness experts deliberate how to effectively and efficiently diagnose, treat, and manage patients with gait dysfunction according to the most recent evidence. We anticipate that by deepening participants' understanding of imaging and evaluation options for gait dysfunction, patients will receive more effective diagnosis and treatment.

We hope you will join us for this special 5th Annual Event!

COURSE OBJECTIVES

At the conclusion of this conference, participants should be able to:

- Improve the initial evaluation, identification and management of gait dysfunction.
- Critique the role and benefits of commonly used imaging techniques of the gait dysfunction and select the appropriate imaging method.
- Identify potential etiologies of gait dysfunction.
- Develop a rational management approach to gait dysfunction and understand the controversies surrounding evaluation and therapies.
- Differentiate between radiculopathy, neurogenic claudication and masqueraders of gait dysfunction and select appropriate treatment techniques.
- Examine current guidelines for interventional pain management.
- Analyze the importance of spinal alignment and management of scoliosis in terms of gait dysfunction.
- Review modern surgical options for lumbar degenerative disc disease, stenosis and deformities.
- Assess their individual practices in light of the information and discussions during the course, and identify specific strategies to implement as part of a continuing improvement process for their practices.

Friday, May 9, 2014 *Agenda subject to change*

Topic: Initial Assessment

Moderator: Gaurav Jain, MD

- 7:00 AM **Registration, Continental Breakfast & Exhibits**
- 8:00 AM Introductory Remarks
James S. Harrop, MD, FACS
- 8:05 AM Anatomy/Pathophysiology – How We Walk
Chengyuan Wu, MD
- 8:30 AM Basics of Gait
Daniel Moon, MD
- 9:00 AM Questions and Answers/Panel Discussion
- 9:15 AM **Break & Exhibits**

Topic: Diagnosing Disorders

Moderator: Joshua E. Heller, MD

- 9:30 AM How to Read & Interpret Imaging for Possible Causes
Dinesh Sharma, MD
- 10:00 AM Basic EMG Interpretation
Adam L. Schreiber, DO, MA
- 10:30 AM DEXA Scan – What Does it Mean
Intekhab Ahmed, MD
- 10:45 AM Questions and Answers/Panel Discussion
- 11:00 AM **Break & Exhibits**

Topic: Intracranial Etiology of Gait Dysfunction

Moderator: Ashwini D. Sharan, MD, FACS

- 11:15 AM Stroke
Jacqueline Urtecho, MD
- 11:30 AM Normal Pressure Hydrocephalus (NPH)
Christopher Farrell, MD
- 11:45 AM Cerebral Palsy
Michael Saulino, MD
- 12:00 PM Parkinsonism
Tsao-Wei Liang, MD
- 12:20 PM Gait Dysfunction and Rehab
Guy W. Fried, MD
Christopher S. Formal, MD
- 12:35 PM Questions and Answers/Panel Discussion
- 12:50 PM **Lunch & Exhibits**
- 1:15 PM Disc Herniation - Foot Drop Debate
Jack I. Jallo, MD, PhD, FACS
Joshua E. Heller, MD
Ashwini D. Sharan, MD, FACS
- 2:00 PM Lumbar Stenosis
Christopher M. Maulucci, MD
- 2:15 PM Degenerative Scoliosis
James S. Harrop, MD, FACS
- 2:30 PM Cervical/Thoracic Myelopathy
Srinivas K. Prasad, MD
- 2:45 PM Neuropathy
Goran Rakocevic, MD
- 3:00 PM Questions and Answers/Panel Discussion
- 3:15 PM **Breaks & Exhibits**

Topic: Gait Dysfunction Processes (Musculoskeletal)

Moderator: Srinivas K. Prasad, MD

- 3:30 PM Hip/Knee Pathology
Gregory Deirmengian, MD
- 3:45 PM Neurogenic Claudication
Gaurav Jain, MD
- 4:00 PM Vascular Claudication
Dawn M. Salvatore, MD
- 4:15 PM Questions and Answers/Panel Discussion
- 4:30 PM **Course Adjourns**

JEFFERSON CO-COURSE DIRECTORS

James S. Harrop, MD, FACS

Professor of
Neurological and Orthopaedic Surgery
Director, Division of Spine & Peripheral Nerve Disorders

Joshua E. Heller, MD

Assistant Professor of
Neurological and Orthopaedic Surgery

Gaurav Jain, MD

Clinical Assistant Professor of Neurological Surgery

Jack I. Jallo, MD, PhD, FACS

Professor of Neurological Surgery and
Vice Chair for Academic Services
Director, Division of Neurotrauma and Critical Care

Srinivas K. Prasad, MD

Assistant Professor of
Neurological and Orthopaedic Surgery

Ashwini D. Sharan, MD

Professor of Neurological Surgery and Neurology
Director, Division of Functional Neurosurgery

JEFFERSON FACULTY

Intekhab Ahmed, MD

Clinical Associate Professor of Medicine

Gregory Deirmengian, MD

Assistant Professor of Orthopaedic Surgery
Rothman Institute

Christopher Farrell, MD

Assistant Professor of Neurological Surgery

Christopher S. Formal, MD

Professor of Rehabilitation Medicine

Guy W. Fried, MD

Professor of Rehabilitation Medicine
Chief Medical Officer
Magee Rehabilitation Hospital

Tsao-Wei Liang, MD

Assistant Professor of Neurology

Christopher M. Maulucci, MD

Spine Fellow/Clinical Instructor

Daniel Moon, MD

Goran Rakocevic, MD

Associate Professor of Neurology

Dawn M. Salvatore, MD

Clinical Assistant Professor of Surgery

Michael Saulino, MD

Assistant Professor of Rehabilitation Medicine

Adam L. Schreiber, DO, MA

Assistant Professor of Physical Medicine & Rehabilitation

Dinesh Sharma, MD

Clinical Assistant Professor of Radiology

Jacqueline Urtecho, MD

Assistant Professor of Neurological Surgery

Chen Wu, MD

Chief Resident of Neurosurgery

ACCREDITATION INFORMATION

Jefferson Medical College of Thomas Jefferson University is accredited by the ACCME to provide continuing medical education for physicians. Jefferson Medical College of Thomas Jefferson University designates this live activity for a maximum of **7.25 AMA PRA Category 1 Credit(s)TM**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

FACULTY DISCLOSURE

All faculty participating in continuing medical education activities sponsored by Jefferson Medical College are expected to disclose to the activity audience any real or apparent conflict(s) of interest related to the content of their presentation(s). Full disclosure of faculty relationships will be made at the activity.

EXHIBITS

Exhibits will be open during registration, breaks, and lunch. We wish to thank our grantors and exhibitors for their participation and support of this conference.

PARKING INFORMATION

There is metered on-street parking on most of the streets surrounding the College building, and several paid parking lots, including one on 21st Street, directly behind the College building. *Please note that payment for parking is cash only.

5th Annual Navigating Spinal Care Symposium **May 9, 2014**

REGISTRATION INFORMATION

The registration fee for the entire course is **\$125.00** for Physicians and **\$100.00** for Nurses and Allied Health Professionals. The Registration Fee includes all course materials, CME Certificate, and continental breakfast, lunch and refreshment breaks. The registration fee does not include parking. Your registration will be confirmed via email. Exhibits will be displayed throughout the conference. If you have any special needs, please contact the Office of CME by **May 2, 2014** at 1-888-JEFF-CME.

CANCELLATIONS/REFUND POLICY

Requests for refunds must be submitted in writing and received in the Office of CME by **May 2, 2014**. There will be no refunds after this date. There will be a \$25 processing fee for all refunds. Registrants who fail to attend the conference are responsible for the entire fee. All refunds will be processed after the conference. The University reserves the right to cancel or postpone this course due to unforeseen circumstances. In the event of cancellation or postponement, the University will refund registration fees, but is not responsible for related costs or expenses to participants, including cancellation fees assessed by hotels, airlines or travel agencies.
