2nd Annual Thomas Jefferson University - Seoul National University Endoscopic Skull Base Symposium

Friday, September 6 - Saturday, September 7, 2013
Jefferson Alumni Hall • 1020 Locust Street, Philadelphia, PA 19107

Course Directors:
Marc R. Rosen, MD
Dept. of Otolaryngology- Head and Neck Surgery and Neurological Surgery
Thomas Jefferson University

Sun Ha Paek, MD, PhD
Dept. of Neurosurgery
Seoul National University

James J. Evans, MD, FACS
Dept. of Neurological Surgery and Otolaryngology- Head and Neck Surgery
Thomas Jefferson University

Tae Bin Won, MD, PhD
Dept. of Otolaryngology
Seoul National University

Special Guest Faculty:
Ricardo Carrau, MD, FACS
Dept. of Otolaryngology- Head & Neck Surgery
Ohio State University

Daniel Prevedello, MD
Dept. of Neurological Surgery
Ohio State University

Jefferson Alumni Hall  •  1020 Locust Street, Philadelphia, PA 19107
The 2nd Annual
Thomas Jefferson University - Seoul National University
Endoscopic Skull Base Symposium
September 6-7, 2013

Course Description
This comprehensive two-day continuing medical education program in skull base surgery presented by the Jefferson Medical College Departments of Otolaryngology - Head and Neck Surgery and Neurological Surgery features outstanding national and international faculty. There will be specific emphasis on the relevant anatomy, endoscopic pituitary surgery, and advanced endoscopic endonasal procedures of the skull base. Difficult cases, prevention, diagnosis and management of complications will be reviewed. Emerging technologies and new equipment will be showcased. The course also offers a cadaver dissection laboratory for hands-on experience with image-guidance.

Course Objectives
At the conclusion of this conference, participants should be able to:

· Examine and discuss the most recent recommendations for management of skull base pathologies.
· Identify and describe the 3D anatomy of the skull base and neurovascular structures pertaining to the management of skull base pathologies.
· Develop strategies to treat benign and malignant lesions of the skull base.
· Review and discuss proper endoscopic instrument handling and surgical techniques.
· Perform techniques in endoscopic skull base surgery including clival, pituitary, anterior cranial fossa and infratemporal fossa approaches.
· Assess individual practices and identify specific strategies to develop a comprehensive endoscopic skull base practice.

Exhibits
Exhibits will be open during registration and break times throughout the entire conference. We wish to thank our exhibitors for their participation and support of this conference.

For directions and nearby parking, visit the following website at: http://www.jefferson.edu/main/direct.cfm
Course Directors:

Marc R. Rosen, MD  
Professor of Otolaryngology-Head and Neck Surgery and Neurological Surgery  
Clinical Vice Chairman  
Co-Director, Jefferson Center for Minimally Invasive Cranial Base Surgery and Endoscopic Neurosurgery  
Thomas Jefferson University

James J. Evans, MD, FACS  
Professor of Neurological Surgery and Otolaryngology-Head and Neck Surgery  
Director of Cranial Base and Pituitary Surgery  
Co-Director, Jefferson Center for Minimally Invasive Cranial Base Surgery and Endoscopic Neurosurgery  
Thomas Jefferson University

Sun Ha Paek, MD, PhD  
Professor of Neurosurgery  
Dept. of Neurosurgery  
Seoul National University

Tae Bin Won, MD, PhD  
Professor of Otolaryngology  
Dept. Otolaryngology  
Seoul National University

Special Guest Faculty

Daniel Prevedello, MD  
Associate Professor of Neurological Surgery  
Dept. of Neurological Surgery  
Director, Minimally Invasive Cranial Surgery Program  
Ohio State University

Ricardo Carrau, MD, F.A.C.S.  
Professor of Otolaryngology-Head and Neck Surgery  
Dept. of Otolaryngology-Head and Neck Surgery  
Director of the Comprehensive Skull Base Surgery Program, Co-Director of the Research and Education Laboratory ALT-VISION  
Ohio State University

Jefferson Medical College Faculty

Jurji Bilyk, MD  
Professor of Ophthalmology  
Wills Eye Institute  
Thomas Jefferson University

Christopher J. Farrell, MD  
Assistant Professor of Neurological Surgery  
Division of Neuro-Oncologic Neurosurgery and Stereotactic Radiosurgery  
Thomas Jefferson University

Gurston G. Nyquist, MD  
Assistant Professor of Otolaryngology-Head and Neck Surgery  
Thomas Jefferson University

SYLLABUS MATERIALS:

We are going GREEN! All registrants will have the opportunity to access copies of presentations prior to and following the course via a password secured website provided by the Office of CME. Please be sure to provide an email address upon registering, so that you may access the presentations online in advance. Note taking materials will be available on site.

ACCREDITATION

Jefferson Medical College of Thomas Jefferson University is accredited by the ACCME to provide continuing medical education for physicians. Jefferson Medical College of Thomas Jefferson University designates this live activity for a maximum of 16 AMA PRA Category 1 Credit(s)**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

For more information, please contact the Office of CME at 1-888-JEFF-CME or on the web at http://jeffline.jefferson.edu/jeffcme/

ACCOMMODATIONS

Holiday Inn Express-Midtown  
1305 Walnut Street, Philadelphia PA 19107  
Room Rate:  
2 Double Beds $124.00 (per night, plus tax)
