FEDERAL WORK-STUDY
SALARY/POSITION SCALE

The following job categories are available for FWS employees. Salaries reflected are the gross amount, of which employers would only pay 30%. Some positions employ students from certain Colleges in the University as noted under each job title (SKMC = Sidney Kimmel Medical College, JCHP = Jefferson College of Health Professions, JCBS = Jefferson College of Biomedical Sciences, JCN = Jefferson College of Nursing, JCP = Jefferson College of Pharmacy, JCPH = Jefferson College of Population Health). Employers may use this guide when completing the job description forms, and are reminded that they can recruit students from more than one college.

Community Service Intern \$13.00/hr
 (SKMC, JCHP, JCBS, JCN, JCP, JCPH)

May be on or off-campus. Provides services to local non-profit, governmental, and community-based organizations, as designed to improve the quality of life for community residents, particularly low-income individuals, or to solve particular problems related to their needs. These services include such fields as health care, child care, literacy training, education, welfare, social service, transportation, housing and neighborhood improvement, public safety, crime prevention, recreation, rural development, and community improvement.

Student Researcher \$12.00/hr
 (SKMC, JCHP, JCBS, JCP, JCPH)

Must possess a bachelor's degree. Perform duties related to research requested by supervisor. Individual must be self-directed and highly motivated. Must have the ability and knowledge to research and document pertinent material. This position may also require utilization of advanced computer skills.

Technical Aide \$11.00/hr
 (SKMC, JCHP, JCBS, JCPH)
