31st Annual Advances in Gastroenterology Conference

Advances in Gastroenterology will address and discuss both the common, as well as critical, gastroenterology diseases presenting in the office of the gastrointestinal specialist, primary care practitioner, internist, surgeon, nurse and other health care professionals. The focus on updated approaches to the diagnosis and treatment of gastrointestinal illness will be reinforced through lively interactive case-based presentations.

The 31st Annual Advances Conference is part of a larger educational initiative from the Jefferson Division of Gastroenterology and Hepatology. Other educational offerings include:

- **45th Annual L.A. Roth Visiting Professor**, *March 23-24, 2011*
- **2nd Annual Jefferson GI Live Conference**, *November 18, 2011*

Key Topics:

- Esophageal/Gastroduodenal Disorders
- Small Bowel/Colonic Disorders
- Pancreatic/Hepatobiliary Disorders
- Latest Advances in Gastroenterology

**Conference Registration
Deadline
